Hon. Commissioner of Patents  
and Trademarks

Sir:

Applicant submits herewith a notice of appeal in the above-referenced pending patent application in response to the final rejection dated August 11, 2010.

Previous Notice of Appeal

The applicant previously filed a notice of appeal regarding this application on November 5, 2009. With that filing, the Applicant paid the small entity fee for the notice of appeal in the amount of \$270. The board did not reach a final opinion, and examination of the application was reopened. The Examiner issued a final rejection on August 11, 2010 from which the Applicant now appeals. Pursuant to M.P.E.P. § 1204.01, Applicant requests that the previously paid notice of appeal fee be applied to the present appeal. The fee has remained the same; therefore, there is no difference that needs to be paid by the Applicant.

Extension fees

As this notice of appeal is being filed within the 3 month shortened statutory period for reply, no extension fees are deemed necessary.

Respectfully submitted,

By /Timothy A. Nathan/
